- 8) A statement pursuant to Section 102(1) of the Act, relating to the Special Business to be transacted at the AGM is annexed hereto.
- 9) The relevant details, pursuant to regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment at this AGM is annexed.
- 10) The Register of Members and the Share Transfer Books of the Company will be closed from Tuesday, 22nd September, 2020 to Tuesday, 29th September, 2020 (both days inclusive). The dividend of ₹ 1.80/- (Rupee One and Eighty Paise only) per share on the Equity Shares of the Company of ₹ 10/- (Rupees Ten) each, if declared by the Members at the AGM, will be paid subject to deduction of income tax at source (“TDS”) on or after Monday, 5th October, 2020 as under:
 - a. To all Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the National Securities Depository Limited (“NSDL”) and the Central Depository Services (India) Limited (“CDSL”), collectively “Depositories”, as of the close of business hours on Monday, 21st September, 2020.
 - b. To all Members in respect of shares held in physical form after giving effect to valid transfer, transmission or transposition requests lodged with the Company as of the close of business hours on Monday, 21st September, 2020.
- 11) Members may note that the Income Tax Act, 1961, as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company after 1st April, 2020 shall be taxable in the hands of the Shareholders. The Company shall, therefore, be required to deduct Tax at Source (TDS) at the time of making payment of Final Dividend, if declared by the Shareholders. In order to enable the Company to determine the appropriate TDS rate as applicable, Members are requested to submit the documents in accordance with the provisions of the Income Tax Act, 1961.
 - a. For Resident Shareholders, TDS shall be deducted under Section 194 of the Income Tax Act, 1961 at rate in force (at present 7.5%) on the amount of Dividend declared and paid by the Company during Financial Year 2020-21, provided Permanent Account Number (PAN) is registered by the Shareholder. If PAN is not registered, TDS would be deducted at rate in force (at present 20%) as per Section 206AA of the Income Tax Act, 1961.

However, no tax shall be deducted on the Dividend payable to a resident individual if the total dividend to be received by such resident individual during the Financial Year 2020-21 does not exceed ₹ 5,000/-. Please note that this includes future dividends, if any, which may be declared by the Company during the Financial Year 2020-21.

Separately, in cases where a Shareholder provides Form 15G (applicable to any resident person other than a company or a firm) / Form 15H (applicable to a resident individual above the age of 60 years), provided that the eligibility conditions are being met, no TDS shall be deducted.

- b. For Mutual Fund Shareholders, TDS is exempt under Section 10(23D), provided Mutual Funds provide SEBI Registration / Central Board of Direct Taxes (CBDT) notification and a declaration that their income is exempt under Section 10(23D) of the Income Tax Act, 1961.
- c. For Foreign Institutional Investors (FII) / Foreign Portfolio Investors (FPI), tax will be deducted under Section 196D of the Income Tax Act, 1961, at applicable rate, including surcharge and cess.

Blue Chip Tax Industries Limited

- d. For Other Non-Resident Shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 of the Income Tax Act, 1961, at the rates in force. However, as per Section 90 of the Income Tax Act, 1961, the Non-Resident Shareholder has the option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA) between India and the country of tax residence of the Shareholder, if they are more beneficial to them. For this purpose, i.e., to avail the Tax Treaty benefits, the Non-Resident Shareholder will have to provide the following:
- Self-attested copy of Tax Residency Certificate (TRC) obtained from the tax authorities of the country of which the Shareholder is resident;
 - Self-declaration in Form 10F;
 - Self-attested copy of the Permanent Account Number (PAN) Card allotted by the Indian Income Tax authorities;
 - Self-declaration, certifying the following points:
 - i. Member is and will continue to remain a tax resident of the country of its residence during the Financial Year 2020-21;
 - ii. Member is eligible to claim the beneficial DTAA rate for the purposes of tax withholding on dividend declared by the Company;
 - iii. Member has no reason to believe that its claim for the benefits of the DTAA is impaired in any manner;
 - iv. Member is the ultimate beneficial owner of its shareholding in the Company and dividend receivable from the Company; and
 - v. Member does not have a taxable presence or a permanent establishment in India during the Financial Year 2020-21.

Please note that the Company is not obligated to apply the beneficial DTAA rates at the time of tax deduction / withholding on dividend amounts. Application of beneficial DTAA rate shall depend upon the completeness and satisfactory review by the Company, of the documents submitted by Non-Resident Shareholder.

Shareholders may make an online submission of Form 15G / 15H and Form 10F, along with the requisite supporting documents as mentioned above, as applicable, on the website of Bigshare (at www.bigshareonline.com). It may please be noted that Forms received after the said date and incomplete or incorrect forms shall not be considered and shall not be eligible for non-deduction or lower deduction of tax.

It may be further noted that in case the tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details / documents from a Shareholder, there would still be an option available with such Shareholder to file the return of income and claim an appropriate refund, if eligible.

The Company shall arrange to e-mail the soft copy of TDS certificate to a Shareholder on its registered email ID in due course, post payment of the said Dividend.

- 12) The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number ("PAN") by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants ("DPs") with whom they are maintaining their demat accounts. Further, as per SEBI Circular dated 20th April,

2018 all securities holders holding securities in physical form should submit their PAN and Bank account details to the RTA.

- 13) Members holding shares in electronic form may note that as per the circular issued by NSDL and CDSL, the Company is obliged to print on the dividend warrants, bank details of beneficiary owners/ Members as furnished by these Depositories while making payment of dividend. The Company or its RTA cannot act on any request received directly from the members holding shares in electronic form for any change of bank particulars or bank mandates. Members are requested to advise such changes only to their DPs.
- 14) SEBI and the Ministry of Corporate Affairs encourage paperless communication as a contribution to greener environment.

Members are advised to register/update their address, e-mail address and bank mandates (i.e. bank account number, name of the bank and the branch, 9 digit MICR Bank/Branch code, IFSC code and account type) to their DPs in case of shares held in electronic form and to the Company and/or its RTA in case of shares held in physical form for receiving dividend in their bank accounts and all communications, including Annual Report, Notices, Circulars etc. from the Company in the future.

For updating the email ids of the members, the Company had availed the facility of its RTA for sending messages through sms service to those members whose mobile number were available with us, requesting them to update their email id(s) with the Company/Registrar and Share Transfer Agent/ Depository Participant.

- 15) In case of remittance of dividend in future in electronic form, an intimation of the dividend payment would be sent to the members. In case of members who are not covered by NECS facility, the dividend amount will be remitted by means of dividend warrants/demand drafts which will be posted to their registered addresses, upon normalization of postal services and other activities.
- 16) As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, 1st April, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents ("RTA"), Bigshare Services Private Limited for assistance in this regard.
- 17) As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The said form can be downloaded from the Company's website www.bluechiptexindustrieslimited.com. Members are requested to submit the said details to their DP in case the shares are held by them in electronic form and to RTA in case the shares are held in physical form.
- 18) Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.
- 19) In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
- 20) Members desiring any information on the annual financial statements or any other query related to the Annual Report are requested to write to the Company on or before Monday, 28th September, 2020 through email on bluechiptex@gmail.com. The same will be replied by the Company suitably.

6. MATERIAL CHANGES AND COMMITMENTS AFTER THE END OF FINANCIAL YEAR TILL THE DATE OF THIS REPORT:

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown.

COVID-19 is significantly impacting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure / lockdown of production facilities etc. On 24th March, 2020, the Government of India under Prime Minister Narendra Modi ordered a nationwide lockdown for 21 days as a preventive measure against the COVID-19 pandemic in India. Again on 14th April, 2020, Prime Minister Narendra Modi extended the nationwide lockdown until 3rd May, 2020, with a conditional relaxations after 20th April, 2020 for the regions where the spread had been contained or was minimal. On 1st May, 2020, the Government of India extended the nationwide lockdown further by two weeks until 17th May, 2020. The Government divided all the districts into three zones based on the spread of the virus—green, red and orange—with relaxations applied accordingly. On 17th May, 2020, the lockdown was further extended till 31st May, 2020 by the National Disaster Management Authority. On 30th May, 2020, it was announced that lockdown restrictions were to be lifted from then onwards, while the ongoing lockdown would be further extended till 30th June, 2020 for only the containment zones. Services would be resumed in a phased manner starting from 8th June, 2020. It was termed as “Unlock 1.0”. Prime Minister Narendra Modi later clarified that the lockdown phase in the country was over and that ‘unlock’ had already begun. The second phase of unlock, Unlock 2.0, was announced for the period of 1st to 31st July, 2020, with more ease in restrictions.

Due to estimation uncertainty relating to the global COVID-19 pandemic for assessing the recoverability of receivables including current assets and certain investments, the Company has considered internal and external information up to the date of approval of these financial results. The Company has evaluated various scenarios with certain assumptions along with current indicators of future economic condition. Basis this, the Company expects to recover the carrying amount of the assets and investments. The Company also believes that it will continue to operate in its present business while recovering the carrying cost of all its assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these standalone financial results. The Company will continue to closely monitor any material changes in the future economic conditions and impact on business.

7. COVID-19 RESPONSE FOR EMPLOYEE SAFETY:

With the onset of COVID-19 pandemic, we laid strong focus on the safety of our people at factory and in the corporate offices. Safety guidelines were briefed to every employee of the Company. After the Company opened its factory post relaxation of lockdown, we ensured maintaining social distancing.

38. MANAGEMENT DISCUSSION AND ANALYSIS:

Industry Information:

India is the world's second largest producer of textiles and garments. The textiles and apparel industry can be broadly divided into two segments - yarn and fibre and processed fabrics and apparel. The domestic textiles and apparel market was estimated at US\$ 100 billion in FY19 and has grown at a CAGR of 10 per cent since FY06. The size of India's textile market is expected to touch US\$ 223 billion by 2021, growing at a CAGR of 10.23 per cent over 2016. Growth in demand is expected to continue at 12 per cent CAGR to reach US\$ 220 billion by 2025. The textile industry has around 4.5 crore workers including 35.22 lakh handloom workers all over the country. India's textile and apparel export stood at US\$ 38.70 billion in FY19 and is expected to increase to US\$ 82.00 billion by 2021 from US\$ 22.95 billion in FY20 (till November 2019). Cloth production in FY19 stood at 70.04 billion square meters and 63.34 billion square meters in FY20 (till January 2020).

Rising Government focus and favourable policies is leading to growth in the textiles and clothing industry. The Ministry of Textiles is encouraging investment through increasing focus on schemes such as Technology Up-gradation Fund Scheme (TUFS). In Union Budget 2020-21, the Government has allocated ₹ 761.90 crore (US\$ 109.01 million) for Amended Technology Upgradation Fund Scheme (A-TUFS). The Cabinet Committee on Economic Affairs (CCEA), Government of India has approved a new skill development scheme named 'Scheme for Capacity Building in Textile Sector (SCBTS)'. The Government announced a special package to boost export by US\$ 31 billion, create one crore job opportunities and attract investment worth ₹ 80,000 crore (US\$ 11.93 billion) during 2018-2020. 100 per cent FDI (Foreign Direct Investment) is permitted in the sector. Cumulative FDI inflow in the textiles sector stood at over US\$ 3.44 billion between April, 2000 to March, 2020.

Strength and Opportunities:

- The Indian textile industry is set for strong growth, buoyed by both strong domestic consumption as well as export demand.
- India can become the one-stop sourcing destination for companies from Association of Southeast Asian Nations (ASEAN) as there exist several opportunities for textile manufacturing companies

Blue Chip Tex Industries Limited

from 10-nation bloc to invest in India.

- 100% FDI (automatic route) is allowed in the Indian Textile Sector.
- Robust Demand:
Rise in income levels is expected to drive demand in textile industry.
- Competitive Advantage:
India has abundant availability of raw materials such as cotton, wool, silk and jute. It also enjoys a comparative advantage in terms of skilled manpower and in cost of production;
- Promising export potential;

Weakness and Threats:

- Indian Textile Industry is highly Fragmented Industry.
- Volatile raw material prices and increasing wages.
- Increasing input costs i.e. power, finance and logistics.
- Rapidly changing consumer behaviour.
- Fluctuation in Crude Oil Prices.

Management Perception of Risks and Concerns:

- In today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the company are imperative. The main risks include strategic risk, operational risk, financial risk and compliances and legal risk. The fast technology obsolescence, high cost of manufacturing and taxation are the major risk/ concerns of the business.
- Adequate availability of raw material at the right prices is crucial for the company. Disruption in the supply or changes in the cost structure would affect the profitability of the company.

Outlook:

The future for the Indian textile Industry looks promising, buoyed by strong domestic consumption as well as export demand. High economic growth has resulted in higher disposable income. This has led to rise in demand for products creating a huge domestic market. Free trade with Asian countries and proposed agreements with EU Countries will also help to boost exports. Also the west has started taken India seriously as a potential supplier of polyester yarn apart from china. Rising government focus and favourable policies to support the Industry has led to growth in the Industry.

INDEPENDENT AUDITOR'S REPORT

To The Members of Blue Chip Tex Industries Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of Blue Chip Tex Industries Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of profit and loss (Including Other Comprehensive Income) , Statement of changes in equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020, and its Profit including Other Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

1. Key Audit Matters

Determination of value of inventories

(See note no B.2 (c) of significant accounting policy and note 6)

As the Country was under lockdown as on 31st March, 2020 the physical verification of stock could not be conducted and the Management has carried out physical verification on resumption of activities at Plant. The Company has inventories with a carrying value ₹ 727.80 lakhs as on 31st March 2020. We considered the value of the inventories as a key audit matter given the relative size of the same in the financial statements and the significant judgments involved in consideration of factors in determination of realizable value such as fluctuation of raw materials prices in the market and in determination of net realizable value.

Blue Chip Tex Industries Limited

Auditor's Response

We understood and tested the design and operating effectiveness of controls as established by the management in determination of net realizable value of inventory. Assessing the appropriateness of Company's accounting policy for valuation of inventories and compliance of the policy with the requirements of the prevailing accounting standards.

We considered various factors including the actual selling price prevailing around and subsequent to the year-end. Compared the cost of the finished goods with the estimated net realizable value and checked if the finished goods were recorded at net realizable value where the cost was higher than the net realizable value. For the purpose of determination of cost, the Company has considered the prevailing market situation. We have relied upon the records produced by the company in respect of arriving of the Net realizable value.

Further, for the purpose of determination of physical quantity of the inventory as at the year ended 31st March 2020, the Company has carried out the physical verification after the operations at the respective plants resumed. We have relied upon their inventory report. Based on the above procedures performed, the management's determination of the net realizable value of the inventory as at the year end and comparison with cost for valuation of inventory is considered to be reasonable.

2. Key Audit Matter

Allowances for credit losses

(See note no B.2 (n) of significant accounting policy and note 7)

The Company determines the allowance to be made for expected credit losses based on its historical loss experience and as adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries that the Company deals with and the wherein it operates. In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the COVID-19 pandemic.

Auditor's Response

Our audit procedures related to the allowance for expected credit losses for trade receivables included inter alia:

Testing the effectiveness of controls over the

- Development of the methodology for the allowance for expected credit losses, including consideration of the current and estimated future economic conditions
- Completeness and accuracy of information used in the estimation of probability of default; and
- Computation of the allowance for credit losses. For a sample of customers, we tested input data such as credit reports and other credit related information used in estimating the probability of default by comparing them to external and internal sources of information. We tested the mathematical accuracy and computation of the allowances by using the same input data used by the Company.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. We have been informed that other information will be adopted by the Board of Directors at a later date and we will report, if other information so adopted is materially inconsistent with the financial statements.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013 as amended, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Blue Chip Tex Industries Limited

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 197(16) of the Act, we report that the company has paid remuneration to its directors during the year in accordance with the provisions of the limits laid down under Section 197 read with Schedule V of the Act.
3. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, as amended.
- (e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended , in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigation on its financial position in its Financial Statements as referred to in Note 33 to the Financial Statements.
 - ii. There are no foreseeable losses as required on long term contracts including derivatives contracts.
 - iii. There has been no delay in transferring the amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Blue Chip Tex Industries Limited

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT ON THE FINANCIAL STATEMENTS OF BLUE CHIP TEX INDUSTRIES LIMITED

(Referred to in paragraph 3 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the Internal Financial Control with reference to Financial Statements **BLUE CHIP TEX INDUSTRIES LIMITED** (“the company”) as of 31st March, 2020 in conjunction with our audit of the Financial Statements of the Company for the year then ended.

Management Responsibility for the Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance

with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls were operating effectively as at 31st March, 2020, based on the internal financial controls with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

A. CORPORATE INFORMATION

Blue Chip Tex Industries Limited (the 'Company') is a public limited company domiciled and incorporated in India under the Indian Companies Act, 1956. The registered office of the company is situated at Plot No. 63-B, Danudyog Sahakari Sangh Ltd., Village Piparia, Silvassa 396230, (U.T.) Dadra & Nagar Haveli.

The Company is engaged mainly in manufacturing of polyester texturising yarn. The Company has manufacturing plants in Union Territory of Dadra and Nagar Haveli, India and entire sales in domestic market. The Company is listed on the Bombay Stock Exchange (BSE).

B. SIGNIFICANT ACCOUNTING POLICIES

B.1 Basis for preparation of accounts:

The financial statements are prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015.

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

All assets and liabilities have been classified as current or non-current based on the Company's normal operating cycle for each of its businesses, as per the criteria set out in the Schedule III to the Act.

The Company's Financial Statements are presented in Indian Rupees, which is also its functional currency and all values are rounded off to the nearest Lakh unless otherwise stated.

B.2 Summary of Significant Accounting Policies

a) Property, Plant and Equipment

- Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any. All costs, net of recoverable taxes, including cost of financing till commencement of commercial production are capitalised.
- Gains or losses arising from de-recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- Capital work in progress and Capital advances: Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets.
- Depreciation on Property, Plant and Equipment is provided using straight line method except furniture and fixtures which are depreciated using written down value method. Depreciation is provided based on the useful life of the Assets as prescribed in Schedule II to the Companies Act 2013, except in respect of Texturizing Machines and Compressors were, based on the certification obtained from the Chartered Engineer, the useful life is taken as 25 years instead of 15 years as prescribed in Schedule II. Also, Leasehold Land is amortized over the remaining period of lease. Freehold land is not depreciated.

Blue Chip Tex Industries Limited

b) Investments:

The Company has elected to recognize its non-current investments in group entities at cost. The details of such investments are given in Note 2.

c) Inventories:

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of all cost of purchase, cost of conversion and other costs, including manufacturing overheads net of recoverable taxes, incurred in bringing them to their respective present location and condition. Items of Inventories are valued as under:

I. Packing Material and Oil:

At cost, on First-in-first-out (FIFO) basis or net realisable value, whichever is lower.

II. Raw Materials:

At cost, on FIFO basis or net realisable value, whichever is lower.

III. Finished Goods (manufactured):

At cost which includes cost of raw materials determined on FIFO basis plus appropriate share of overhead expenses or net realisable value, whichever is lower.

IV. The stock of stores and spares is charged to revenue in the year of purchase and no adjustment is made for such stocks, if any, at the year end.

d) Employee Benefits:

(i) **Short term:** Short term Employee Benefits are recognised as an expense on accrual basis at the undiscounted amount in the statement of profit and loss of the year in which related service is rendered.

(ii) **Defined contribution plans:** The eligible employees of the Company are entitled to receive post employment benefits in respect of provident and family pension fund, in which both the employees and the Company make monthly contributions at a specified percentage of the employees' eligible salary (currently 12% of employees' eligible salary). The contributions are made to the Regional Provident Fund Commissioner (RPFC) which are charged to the Statement of Profit and Loss as incurred.

(iii) **Defined benefit plans:** Post employment and other long term employee benefits are recognised as expense in the statement of profit and loss for the year in which the Employees have rendered services. The expense is recognised at the present value of the amount payable determined using actuarial valuation techniques. Re-measurement of Defined Benefit Plans in respect of post-employment are charged to the Other Comprehensive Income.

e) Tax Expense:

The tax expense for the period comprises current tax and deferred income tax. Tax is recognised in statement of profit and loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in equity. In this case, the tax is also recognised in Other Comprehensive Income and Equity.

(i) Current Tax:

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

(ii) **Deferred Tax:**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

f) **Revenue Recognition:**

- Revenue from sale of goods is recognised when the goods are despatched to the customers, all significant contractual obligations have been satisfied and the collection of the resulting receivable is reasonably expected. The sales are stated net of returns and related taxes.
- Revenue in respect of insurance or other claims, quantity discount on purchase etc. is recognised only when it is reasonably certain that the ultimate collection will be made.
- Interest Income is recognised on time proportion basis taking into account the amount outstanding and the interest rate applicable.
- Dividend Income is recognised when the Company's right to receive the amount has been established.
- Job work Income is recognised when related services are rendered.

g) **Provisions, Contingent liabilities and Contingent assets:**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are not recognised, but are disclosed in the Notes. Contingent assets are neither recognised nor disclosed in the financial statements.

h) **Impairment of Non-Financial Assets – Property, Plant and Equipment and Intangible Assets:**

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

Blue Chip Tex Industries Limited

i) Finance costs:

Borrowing costs consists of interest cost and other borrowing costs that an entity incurs in connection with the borrowing of funds including exchange differences to the extent regarded an adjustment to the borrowing costs.

Borrowing costs directly attributable to the acquisition and construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of the respective assets up to the date when such assets are ready for their intended use. The borrowing cost eligible for capitalization is being netted off against any income arising on temporary investment.

All other borrowing costs are charged to the statement of profit and loss for the period for which they are incurred.

j) Government grants:

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Grants, except which relates to property plant & Equipment, received from Government is credited to statement of profit and loss in the period for which it relates.

k) Foreign currency transactions and Translation:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalised as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in Other Comprehensive Income or Statement of Profit and Loss are also recognised in Other Comprehensive Income or Statement of Profit and Loss, respectively).

l) Lease:

As a Lessee: The Company has elected to account for short term leases and leases of low-value assets using the exemption given under Ind AS 116, Leases. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in statement of profit and loss on a straight-line basis over the lease term or on another systematic basis if that basis is more representative of the pattern of the Company's benefit.

m) Research and Development Expenditure:

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the statement of profit and loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.

n) **Financial Instruments:**

I. **Financial Assets**

• **Initial Recognition and Measurement**

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value through Profit and Loss, are added to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting.

• **Subsequent Measurement**

i. **Financial assets measured at amortised cost (AC)**

Financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. **Financial Assets Measured at Fair Value Through Other Comprehensive Income (FVTOCI)**

Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. **Financial assets measured at fair value through Profit or Loss (FVTPL)**

Financial Asset which is not classified in any of the above categories are measured at FVTPL.

• **Investment In Subsidiaries, Associates and Joint Ventures**

The Company has accounted for its investments in group entity at amortised cost less impairment loss (if any).

• **Other Equity Investments**

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

• **Impairment of Financial Assets**

The Company recognises loss allowances for expected credit losses on:

- financial assets measured at amortised cost;

At each reporting date, the Company assesses whether financial assets carried at amortised cost has impaired and provisions are made for impairment accordingly. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- other debt securities and bank balances for which credit risk (i.e. the risk of default

Blue Chip Tex Industries Limited

occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

II. Financial Liabilities

1. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

2. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying value approximate fair value due to the short maturity of these instruments.

III. Derecognition of Financial Instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial Liability (or a part of a Financial Liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expired.

IV. Offsetting Instruments

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

V. Cash and Cash Equivalents

Cash and cash equivalents for the purpose of presentation in the statement of cash flows comprises of cash at bank and in hand, bank overdraft, short term borrowing and short term highly liquid investments/bank deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

C) CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Company's Financial Statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result

in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial year.

1) Depreciation / Amortisation And Useful Lives of Property Plant and Equipment / Intangible Assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods are revised if there are significant changes from previous estimates.

2) Recoverability of Trade Receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include assessing the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

3) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

4) Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transaction are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

5) Impairment of Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

	These plans typically expose the Company to actuarial risk such as interest rate risk, longevity risk and salary risk.		
	Interest Rate Risk : A decrease in the bond interest rate will increase the plan liability.		
	Longevity Risk : The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.		
	Salary Risk : The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.
