# Grameen Credit Score framework likely to be launched in 3 months

HARSH KUMAR & ASIT RANJAN MISHRA  
New Delhi, 2 June

The Union government is expected to launch the Grameen Credit Score (GCS) framework within the next three months, a senior government official said. Announced by Finance Minister Nirmala Sitharaman in the Union Budget for 2025-26, the initiative is designed to strengthen financial inclusion in rural India, with a particular focus on members of self-help groups (SHGs).

"A committee has already been formed to oversee the development and implementation of the Grameen Credit Score framework. The government is currently awaiting approval from the Reserve Bank of India (RBI) before moving forward with the roll-out and is expected to go live in the next three months," the official said.

The GCS is expected to serve as a supplementary tool to existing credit bureaus, allowing banks, microfinance institutions, and other lenders to better evaluate the creditworthiness of rural borrowers.

"The current credit scoring mechanism of Credit Information Companies (CICs) is, by design, generic to

## Serving credit needs

- Grameen Credit Score designed to strengthen financial inclusion in rural India
- Initiative particularly focuses on members of self-help groups
- It is expected to serve as a supplementary tool to existing credit bureaus
- Government currently awaiting RBI approval before moving forward with rollout

all individual borrowers with no specific consideration for the rural sector. A Grameen Credit Score tailored for the credit assessment purpose of rural and SHG borrowers would facilitate better credit assessment of rural borrowers, thereby improving their access to formal credit. The government is working out the modalities and the contours of the Grameen Credit Score framework in consultation with the concerned stakeholders," Minister of State for Rural Development Chandra Sekhar Pemasani had informed the Rajya Sabha in a written reply.

At present, private sector and small finance banks typically verify a borrower's credit history through agencies like CRIF Highmark and CIBIL, which maintain records of past loans, repayment behaviour, and defaults, if any. A good score from these bureaus indicates that the borrower is likely to repay on time.

The Grameen Credit Score holds particular importance in the context of the ongoing distribution of property cards under the Centre's Survey of Villages and Mapping with Improved Technology in Village Areas (SVAMITVA) scheme, which is expected to

boost credit demand in rural regions. On January 18, Prime Minister Narendra Modi had highlighted the economic potential of the initiative, stating that once these cards are issued across all villages in the country, they could help generate economic activity worth over ₹100 trillion.

"There are more than 6 lakh villages in our country. Nearly half of these villages have been surveyed by drones. After getting legal documents, lakhs of people have taken loans from banks on the basis of their houses and property," PM Modi said.

The SVAMITVA scheme is a government initiative launched in 2020 to provide rural residents with official ownership records of residential land. Implemented by the Ministry of Panchayati Raj, the scheme uses drone technology to map land parcels in over 6 lakh villages, enabling the issuance of property cards.

These cards serve as legal proof of ownership and help unlock the economic potential of rural land by allowing property owners to access formal credit from banks. SVAMITVA aims to enhance transparency, reduce land disputes, and spur development in rural India.

## India's coal production increased 2.6% in May

India produced 86.2 million tonnes (mt) of coal in May, which is a 2.6 per cent increase compared to the same month last year.

The growth in production and dispatch ensures a steady coal supply to

industries such as power, steel, and cement, the Ministry of Coal said. Higher coal production is crucial during summer months because of significant increase in electricity demand.

## Council of Ministers meets tomorrow, 1st after Op Sindoor

Prime Minister Narendra Modi will chair a meeting of the Union Council of Ministers on Wednesday, the first after India's punitive military action against Pakistan under Operation Sindoor launched in response to the Pahalgalam terror attack. According to sources, the Ministers are likely to be given details of the operation, which is also expected to figure in the ruling Bharatiya Janata Party's programmes starting next week. Besides speaking on Operation Sindoor, the prime minister may give an overall highlight of his government's thrust in the council meeting as the ministers prepare to communicate with people across the country during the anniversary events. India's precise strikes on nine terror sites in Pakistan and Pakistan-occupied Kashmir followed by its counterattack on the neighbouring country's military facilities, especially air bases, have been a highlight of Modi's recent speeches.

### India to get remaining S-400 missiles by 2026: Russia

Russia is committed to delivering the remaining units of the S-400 air defence system to India by 2025-2026, the country's Deputy Chief of Mission in India, Roman Babushin, said on Monday. He highlighted that the system performed "very efficiently" during the recent India-Pakistan tensions.

### Khurshid's cryptic post on X: Is it so difficult to be patriotic?

Congress leader Salman Khurshid, who is a part of India's diplomatic mission abroad, on Monday said it was "distressing" that people back home are calculating political allegiances and asked if it is "so difficult to be patriotic". Talking to X, he said, "When on missions against terrorism, to carry India's message to the world, it's distressing that people at home are calculating political allegiances. Is it so difficult to be patriotic?"

## CM vows to eradicate Maoist menace before March 2026 deadline

R KRISHNA DAS  
Raipur, 2 June

The Chhattisgarh government, highlighting the Sushasan Tihar (good governance festival) campaign, said the eradication of Maoism could be achieved before the official deadline of March 2026.

"The way anti-Maoist operations are going on, I think we will eradicate the menace before the deadline," said Chief Minister (CM) Vishnu Deo Sai.

During the campaign, the CM visited Maoist-dominated areas like Bastar, where people demanded an end to the Maoist menace. "It is the biggest problem that people are facing in Bastar, and I had assured them that they would get rid of it at the earliest," he said. This was a 27-day drive conducted in three phases to assess the state government's performance at the grassroots level.

During the campaign, the security forces received a decisive breakthrough by eliminating the Chief and General Secretary of the Communist Party of India (Maoist), Nambala Keshava Rao alias Basavaraju alias Gaggana, on May 21, 2025. He was killed in the forests of Abujmud in Chhattisgarh. Sai covered all 33 districts of the state during the drive, in which 1,346 redressal camps were set up to resolve the grievances of people. "In total 4,12,042 applications were received during the Sushasan Tihar, out of which 4,04,047 were related to demands raised by the people, while 80,895 were about complaints," he said.

Among the demands, 1 million people had urged for houses under the Prime Minister Awas Yojana. Sai said most of the demands and grievances were resolved in the camps themselves, while those left will be addressed in a time-bound manner.

## Firms push for land reforms to meet \$1 trn economy goal

VIRENDRA SINGH RAWAT  
Lucknow, 2 June

Uttar Pradesh Inc has demanded urgent industrial land reforms to help realise the state's ambitious \$1 trillion economy goal. With industrial-grade land being critical for setting up new factories and plants, the industry has urged the Yogi Adityanath government to expand land availability for investors.

According to the Indian Industries Association, fresh projects worth ₹60,000 crore across sectors, such as food processing, pharmaceuticals, and electronics, are awaiting land allocation in the state.

"We have urged the UP government to allow the conversion of leasehold industrial land to freehold across all major industrial development authorities," said IIA National Vice President Chetan Deo Bhalia. He noted that Uttar Pradesh State Industrial Development Authority alone has about 60,000 acres across 156 industrial areas. Converting leasehold to freehold would unlock these parcels, attract private investment, and boost state revenue through conversion fees and levies. The state's Micro, Small, and Medium Enterprises (MSMEs) have long demanded freehold of leasehold plots.

## IOCL raises FY26 capex target to \$4 bn

SUBHANYA CHAKRABORTY  
New Delhi, 2 June

Indian Oil Corporation Ltd (IOCL) on Monday said the oil-marketing company was planning to spend nearly \$4 billion in capital expenditure in FY26, up from \$3.71 billion or ₹31,000 crore of planned capex in FY25.

In an investor presentation, IOCL also said it aimed to complete the commissioning of two key refinery expansion projects, including the 10 million tonnes (mt) per annum capacity expansion at the Panipat refinery and allied projects by December.

Approved in 2021, the refinery expansion in Haryana's Panipat is set to increase its 15 million metric tonnes per annum (mtpa) capacity to 25 mtpa, at a total approved cost of \$4.5 billion. Nearly 84 per cent of the project has been completed at Panipat, which is IOCL's largest, alongside the one at Paradip in Odisha. The company's ongoing project to set up a para-xylene (PX) and purified terephthalic acid (PTA) plant at the Paradip refinery is slated to be completed by April 2026, with a total cost of \$1.63 billion. Nearly 89 per cent of the work is completed.

A new pipeline carrying crude from Mundra port to the Panipat refinery is also scheduled for completion by December. Also on the anvil is IOCL's petrochemical and tube integration project at the Gujarat refinery in Vadodra, expected to be completed by December. More than 80 per cent completed, the project envisages raising capacity to 18 mtpa, up from 13.7 mtpa currently, at a total cost of \$2.3 billion.

### RAJASTHAN

## Rising Covid cases impact state hotel bookings

ANIL SHARMA  
Jaipur, 2 June

Hotel bookings in Rajasthan have been affected by the recent reports of rising Covid-19 cases in the country, despite the latest strain being considered as milder.

"The return of coronavirus is reducing the number of tourists in Rajasthan. There is a continuous decline in hotel bookings. In such a situation, the tourism industry could see

the monsoon tourism season from July to September going unutilised," Gaurav Khan-delwale, a travel agent, said.

Around 98 Covid-positive cases and one related death have been reported in Rajasthan from January 1 to June 1 this year. According to health department data, the maximum number of cases have been reported in the last few days.

"In summer, there are usually 50 per cent to 60 per

cent bookings in hotels, which is now reported to have been reduced by half to over 25-30 per cent," Hussain Khan, president, Hotel Federation of Rajasthan, said.

"People are not ready to travel due to this virus; they are wary and are cancelling their bookings. In such a situation, hotels and other industries that are dependent on tourism are likely to face losses. If cases continue to rise, the monsoon tourism season, when millions

of domestic tourists visit the state, could get spoiled," Khan added. According to Sanjay Kaushik, a tour operator and industry expert, the next week will be crucial in determining Covid's impact on tourism.

"Till now, we have been assuming that the effect on domestic tourism is due to the tension between India and Pakistan. Being a border state, Rajasthan's tourism industry has been greatly affected," he said.

**Notice of Transfer of Equity Shares to Demat Account of the Investor Education and Protection Fund (IEPF) Authority**

NOTICE is hereby given that pursuant to the provisions of Section 14 (6) of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2015, as amended from time to time ("the Rules"), equity shares of the Company ("the Company") for the last consecutive period of seven (7) years or more, are required to be statutorily transferred by the Company to Demat Account of IEPF Authority established by the Central Government. The unclaimed / unpaid dividend of last seven (7) consecutive years commencing from the dividend for the Financial Year 2017-18 upto Financial Year 2023-24 of certain shareholders, are presently lying with the Company. The unclaimed / unpaid dividend(s) for the Financial Year 2017-18 will be transferred to IEPF by 10<sup>th</sup> October, 2025.

Accordingly and adhering to the various requirements set out in the Rules, individual communications to the concerned shareholders, as being sent at their latest available addresses whose shares are required to be transferred to Demat Account of the IEPF Authority as per the aforesaid Rules for taking appropriate action(s). In case the Company does not receive any communication from the concerned shareholders by 10<sup>th</sup> October, 2025, the Company shall, with a view to complying with the requirements set out in the Rules, transfer the shares to Demat Account of the IEPF Authority by the due date as per the procedure stipulated in the Rules. Further, the Company has uploaded full details of such shareholders along with the details of their shares which are due for transfer to Demat Account of IEPF Authority on its website [www.bluechiptextindustrieslimited.com](http://www.bluechiptextindustrieslimited.com). Shareholders are requested to refer to the aforesaid website of the Company to verify the details of their now-encashed dividend(s) and shares that are liable to be transferred to Demat Account of the IEPF Authority.

The concerned shareholders, holding shares in physical form and whose shares are liable to be transferred to IEPF authorities, may note that the Company would be issuing new share certificate(s) in lieu of the original share certificate(s) held by them for the purpose of transfer of shares to IEPF authorities as per Rules and upon such issue, the original share certificate(s) which stand registered in their name will stand automatically cancelled and be deemed non-negotiable. The shareholders may further note that the details uploaded by the Company on its website shall be deemed adequate notice in respect of issue of new share certificate(s) by the company for the purpose of transfer of shares to IEPF authorities pursuant to the Rules.

In case the Shareholders have any queries on the subject matter and the Rules, they may contact the Company's Registrar and Transfer Agent (RTA) or the Company at below mentioned addresses:
